INSURANCE & RISK MANAGEMENT PLACEMENT/EXPERT WITNESS LITIGATION SUPPORT SVS:

President | Risk Management Partners, INC.

February/2000 – Present

Founded retail insurance broker in February of 2000, for placement of all lines of property and casualty covers. Specific expertise in Property, General Liability, Product Liability, Workers Comp., professional liability, (D&O and E&O), liquor liability, crime and automobile insurance.

Member: Professional Liability Underwriting Society (PLUS): 1994 – Present.

In 2004, I began to work as an Expert Witness in insurance and risk management in all areas of property casualty insurance, for both Plaintiff and Defense counsel. As of mid-2020, I have been engaged in excess of 200 cases as an expert witness across the United States, in both Federal and State court.

Account Executive | Summit Global Partners

1998 – 2000

Coordinated national sales and marketing of proprietary infringement insurance program underwritten by syndicates at Lloyds of London. Responsibilities included, direct client sales, development of national sales team, product distribution, marketing and public relations activities.

Marketing responsibilities included coordination of advertising, public relations, brochures and sales literature. Maintained and serviced a large book of property casualty insurance clients in all Facets of Property casualty insurance.

Account Executive | Arthur J. Gallagher & Co.

1993 – 1998, Miami, FL

Producer in commercial accounts division of multinational risk management organization responsible for sales, marketing and retention of commercial property casualty client insurance programs. Specialization in property, general liability, workers compensation, product liability, and all aspects of professional liability to include all D&O and E&O policies, for both public and privately held companies. Multiple top production awards during all years at the organization.
